Objectives

One of the objectives of WP5 is Dissemination and public awareness. Project website is one of the mechanisms for communication between the Consortium partners and for communication to public and other stakeholders.

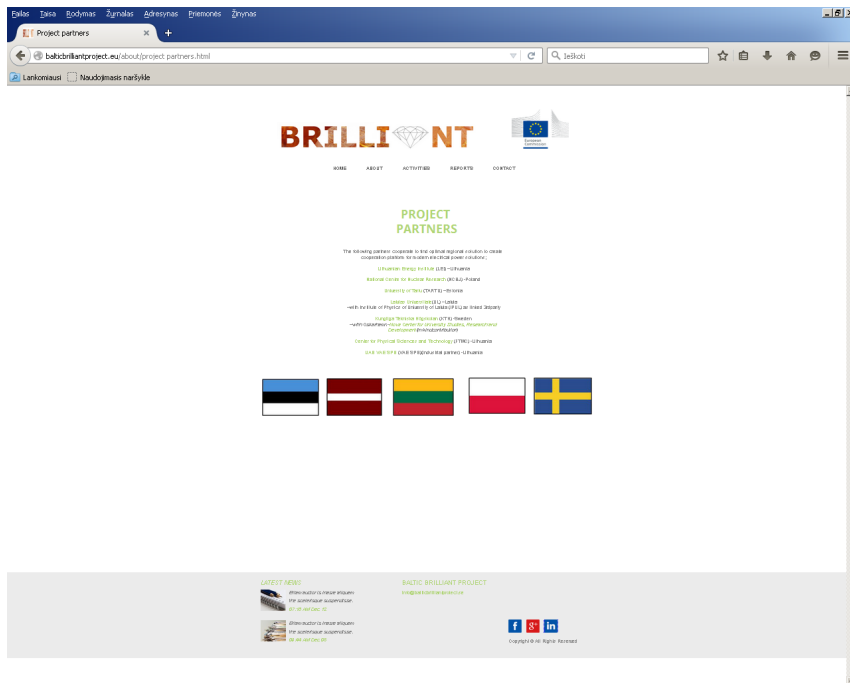

Website

The website was developed by Ms. Eva Hjalmered launched on September 22, 2015 for Consortium partners review. Later the comments were taken into account and the website is available for public access at <http://balticbrilliantproject.eu/>.

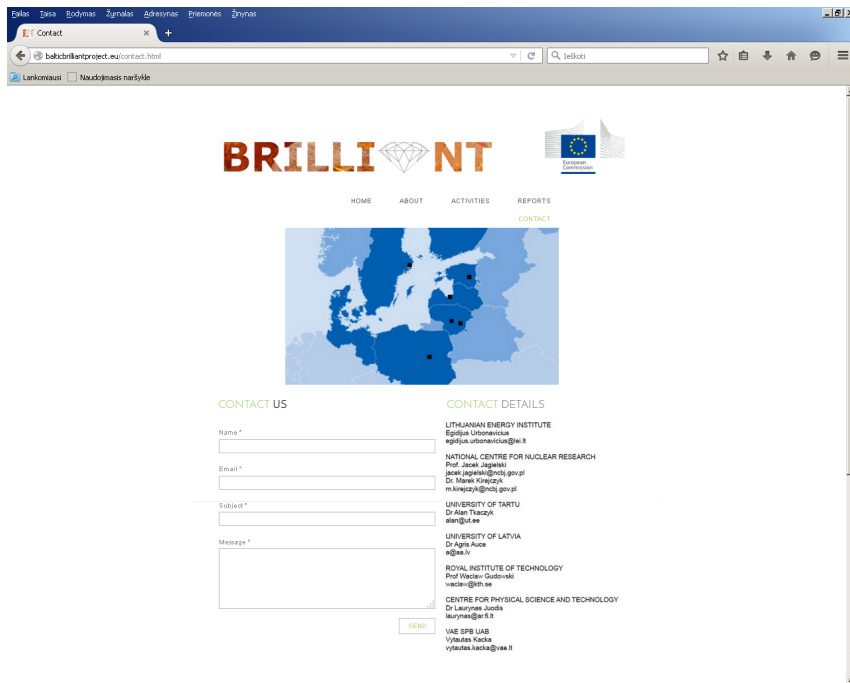

In the following pictures there are shown different parts of the created webpage.
